

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Solonge Herbert
DOCKET NO.: 14-22131.001-R-1
PARCEL NO.: 25-21-212-015-0000

The parties of record before the Property Tax Appeal Board are Solonge Herbert, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,109
IMPR.: \$891
TOTAL: \$3,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 110 year-old, one and one-half-story dwelling of frame construction containing 1,672 square feet of living area. Features of the home include a full finished basement, two fireplaces and a two-car garage. The property has a 4,687 square foot site and is located in Lake Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested comparable sales and adjustment information. The appellant requested a total assessment reduction to \$1,599.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,429. The subject's assessment reflects a market value of \$84,290, or \$50.41 per square foot of living area including land, when applying the 2014 level of

assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables and on the November 2011 sale of the subject for the price of \$15,000.

In rebuttal, the appellant argued the board of review's three suggested equity comparables should be accorded no weight because they were not evidence in response to the appellant's overvaluation argument. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the appellant failed to lay a foundation for the adjustments in the equalization values grid submitted and, therefore, give them no weight.

The Board finds the best evidence of market value to be the appellant's comparable sales #1, #2, #3, #4 and #5. These comparables sold for prices ranging from \$3.79 to \$11.07 per square foot of living area, including land. The subject's assessment reflects a market value of \$50.41 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
