

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mazhar Bhatti  
DOCKET NO.: 14-22539.001-C-1  
PARCEL NO.: 28-12-225-073-0000

The parties of record before the Property Tax Appeal Board are Mazhar Bhatti, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 19,746  
**IMPR.:** \$ 22,754  
**TOTAL:** \$ 42,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story gas station with a mini-mart. It contains approximately 1,800 square feet of building area. The subject was constructed in 1973. The property has a 14,360 square foot site and is located in Bremen Township, Cook County. The subject is classified as a class 5-23 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$170,000 as of January 1, 2014. The appellant requested an assessment of 25% of the appraised value, or \$42,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,623. The subject's assessment reflects a market value of \$258,492, including land, when applying the 2014 level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25%. In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The board also stated the subject sold in April 2010 for a price of \$290,000.

In written rebuttal, the appellant stated the board's comparables are not adjusted and do not contain descriptions.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the 2014 appraisal submitted by the appellant. More weight was given to the appraisal than to the 2010 sale of the subject as the appraisal is more proximate in time to the valuation date at issue. The Board finds the subject property had a market value of \$170,000 as of the assessment date at issue. Since market value has been established the 2014 level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
