

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Angeles
DOCKET NO.: 14-22838.001-C-1 through 14-22838.005-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Ron Angeles, the appellant, by attorney Brian S. Maher of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
14-22838.001-C-1	16-17-327-036-0000	2,421	11,415	\$13,836
14-22838.002-C-1	16-17-327-037-0000	9,960	9,132	\$19,092
14-22838.003-C-1	16-17-327-038-0000	19,921	20,548	\$40,469

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of five attached and interconnected part one-story and part two-story masonry constructed, light industrial and commercial buildings utilized as auto repair and storage on the first floor and having an apartment, storage and office space on the second floor. The property has a gross building area of 25,296 square feet. The improvements were constructed in stages from 1906 to 1964. The property has a

31,743 square foot site and is located in Oak Park, Oak Park Township, Cook County. The property is classified as part 2-12, part 5-22 and part 5-17 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$750,000 as of January 1, 2014. The appraisal was prepared by Kestutis Puidokas, Certified General Real Estate Appraiser, and Mitchell J. Perlow, Certified General Real Estate Appraiser, of Property Valuation Services. In estimating the market value of the subject property the appraisers developed the income approach to value and the sales comparison approach to value.

The appellant submitted a copy of the decision issued by the Cook County Board of Review disclosing a total assessment for the subject property of \$155,146. The subject's assessment reflects a market value of \$864,854 when applying the various Cook County Real Property Assessment Classification Ordinance levels of assessments to the respective parcels. Based on this evidence the appellant requested the subject's total assessment be reduced to \$138,188 to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating a market value for the subject property of \$750,000 as of January 1, 2014. The subject's assessment reflects a market value above the only evidence of market value in the record. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's evidence as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and finds the board of review to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a) & §1910.69(a)). Based on this record the Board finds a reduction to the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
