

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jon Levy
DOCKET NO.: 14-23306.001-R-1
PARCEL NO.: 25-16-112-013-0000

The parties of record before the Property Tax Appeal Board are Jon Levy, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,937
IMPR.: \$8,158
TOTAL: \$10,095

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is an 85 year-old, one-story dwelling of masonry construction containing 1,076 square feet of living area. Features of the home include a full unfinished basement and a one and one-half-car garage. The property has a 4,305 square foot site and is located in Lake Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased the Federal Home Loan Mortgage Corporation (hereinafter, "Fannie Mae") on January 3, 2014 for a price of \$35,800 in an all-cash transaction. The subject's sale price of \$35,800 reflects a market value of \$33.27 per square foot of living area including land. The appellant also submitted the Real Estate Transfer Tax Declaration that disclosed the subject was sold as "Bank REO (real estate

owned)” property and that title was conveyed by a Special Warranty Deed; Multiple Listing Service listing information that disclosed the subject was bank owned; and information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not sold as a transfer between related parties, and was advertised and sold through a realtor. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when using the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,095. The subject's assessment reflects a market value of \$100,950 or \$93.82 per square foot of living area when using the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales. The board of review also submitted a brief arguing that the sale of the subject was not for fair cash value and was, therefore, compulsory. The board of review appended a deed trail to the brief disclosing: that a *lis pendens* was recorded against the subject; that Fannie Mae obtained title via a Judicial Sale Deed; and that Fannie Mae sold the subject to the appellant.

In rebuttal, the appellant argued that the sale was at arm's-length and that the board of review's comparables were dissimilar to the subject. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in January 2014 for \$35,800 is a "compulsory sale." A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The Board finds the board of review's comparables set the range of market value for the subject. The appellant did not submit any comparables. The board of review submitted sale comparables that contained property characteristics similar to the subject's that sold in 2012 for prices ranging from \$115.72 to \$125.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$93.82 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Moreover, the subject's sale price of \$35,800, or \$33.27 per square foot of living area including land, is below the range established by the market data.

In determining the fair market value of the subject property, the Board finds that the appellant did not submit sufficient evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has not met its burden by a preponderance of the evidence and that the subject does not warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
