

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Sr. Romano  
DOCKET NO.: 14-23658.001-R-1  
PARCEL NO.: 14-20-108-019-0000

The parties of record before the Property Tax Appeal Board are Thomas Sr. Romano, the appellant(s), by attorney Chris D. Sarris, of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$20,502  
**IMPR.:** \$37,998  
**TOTAL:** \$58,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one and part three-story mixed-use building containing one commercial unit used as a restaurant on the first floor and one apartment on each of the second and third floors, with approximately 3,557 square feet of gross building area. It is 122 years old and is situated on a 4,457 square foot site. It is located in Chicago, Lakeview Township, Cook County, and is classified as Class 2-12 property under the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$585,000 as of January 1, 2012.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$73,985. The subject's assessment reflects a market value of

\$739,850 when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of the subject's assessment, the board of review submitted four equity comparables. The evidence indicates that the subject is not owner-occupied. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued that the appraisal was the best evidence of market value.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$585,000 as of the assessment date at issue. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
