

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hillary Weinstein
DOCKET NO.: 14-23927.001-R-2
PARCEL NO.: 05-08-101-052-0000

The parties of record before the Property Tax Appeal Board are Hillary Weinstein, the appellant, by attorney James E. Doherty, of Thomas M. Tully & Associates in Chicago; the Cook County Board of Review by assistant state's attorney Oscar Garcia; as well as the intervenors, Glencoe S.D. #35, and New Trier H.S.D. #203, both by attorney Scott L. Ginsburg of Robbins Schwartz Nicholas Lifton Taylor in Chicago.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$143,748
IMPR.: \$ 36,252
TOTAL: \$180,000

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 61-year old, multi-level, frame, single-family dwelling. Features of the home include: a partial, finished basement, one fireplace and a two-car garage. The property contains 35,937 square feet of land and is located in New Trier Township.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket #13-24040-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$180,000 based on the evidence submitted by the parties. The appellant's attorney asserted that 2013 and 2014 were within the same general assessment period for residential property. The appellant also submitted market data in the form of an appraisal to demonstrate the subject was being overvalued.

Moreover, at a pre-hearing conference, appellant's attorney submitted a copy of the 2013 Board decision as well as a printout from the County Treasurer's website reflecting that the subject was accorded a homeowner's exemption from tax years 2013 through 2016.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$278,742 was disclosed. The board of review submitted descriptions, assessment and sales information on four comparables to demonstrate the subject's assessment reflected the property's market value.

The intervenors submitted correspondence adopting the evidence of the Cook County board of review.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2013 assessment. The record further indicates that the subject property is an owner-occupied dwelling and that 2013 and 2014 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period.

For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
