

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Walter Pavlovic  
DOCKET NO.: 14-24378.001-R-1  
PARCEL NO.: 14-07-318-002-0000

The parties of record before the Property Tax Appeal Board are Walter Pavlovic, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,884  
**IMPR.:** \$20,893  
**TOTAL:** \$27,777

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2,648 square foot parcel of land improved with a 111-year old, two-story, mixed-use building containing approximately 1,958 square feet of building area. The property is located in Lake View Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$182,000 as of January 1, 2011. The evidence does not disclose the occupancy of the subject. In addition, the appellant submitted three sales comparables. The appellant requests an assessment based on 10% of the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,777. The subject's assessment reflects a market value of \$277,770 or \$141.86 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted three sales comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the appraisal submitted by the appellant to be too far removed from the lien date to accurately reflect the subject's market value as of January 1, 2014. Therefore, the Board looks to the comparables submitted by the parties. The board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparables. These properties sold from January to October 2013 for prices ranging from \$58.07 to \$301.72 per square foot of building area. In comparison, the subject's assessment reflects a market value of \$141.86 per square foot of building area which is within the range of the best comparables in the record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject's improvement was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
