

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rudnick
DOCKET NO.: 14-24504.001-R-1 through 14-24504.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Rudnick, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
14-24504.001-R-1	14-29-209-003-0000	15,500	27,093	\$42,593
14-24504.002-R-1	14-29-209-004-0000	17,980	0	\$17,980

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property contains a 132 year-old, one and one-half-story dwelling of frame construction containing 1,689 square feet of living area. Features of the home include a full basement finished with a recreation room, central air conditioning and a fireplace. The property has a 6,271 square foot site on two contiguous parcels and is located in Lake View Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$610,000 as of January 1, 2012. The appraiser included a letter reaffirming the opinion of value would be the same as of January 1, 2013. The appellant requested a total assessment reduction when

applying the 2014 three-year average median level for Class 2 property as determined by the Illinois Department of Revenue. (86 Ill.Admin.Code §1910.50(c)(2)).

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$57,252. The subject's assessment reflects a market value of \$576,556 when applying the 2014 three-year average median level of assessment of 9.93% for Class 2 property as determined by the Illinois Department of Revenue. (86 Ill.Admin.Code §1910.50(c)(2)). In support of its contention of the correct assessment, the board of review submitted information on three unadjusted suggested sale comparables.

In rebuttal, the appellant argued that the comparables submitted as evidence by the board of review should be given diminished weight because they were dissimilar to the subject in various key property characteristics and were based on raw, unadjusted sales data. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant, as updated by the appraiser's letter reaffirming the opinion of value as of January 1, 2013. The Board finds the subject property had a market value of \$610,000 as of the assessment date at issue. Since market value has been established, the 2014 three-year average median level of assessment of 9.93% for Class 2 property as determined by the Illinois Department of Revenue shall apply, in accord with the appellant's request. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
