

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Neil Fern
DOCKET NO.: 14-25015.001-R-1
PARCEL NO.: 01-07-101-010-0000

The parties of record before the Property Tax Appeal Board are Neil Fern, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 11,325
IMPR.: \$ 65,633
TOTAL: \$ 76,958

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 3,464 square feet of living area of frame and masonry construction. The dwelling is 33 years old. Features of the home include a full basement with a recreation room, central air conditioning, and two fireplaces. The property has a 226,512 square foot site and is located in Barrington Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information

on three comparable sales and an appraisal estimating the subject property had a market value of \$775,000 as of January 1, 2013.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$91,397. The subject's assessment reflects a market value of \$920,413 or \$265.71 per square foot of living area, including land, when applying the 2014 three year average median level of assessment for class 2 property of 9.93% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

In rebuttal and at hearing, the appellant argued that the board of review's comparables should be given diminished weight because they were based on raw, unadjusted data, and because they were dissimilar to the subject as to various key property characteristics. The appellant also mentioned a \$75,000 home improvement credit and requested that deduction to be deducted from the appraisal valuation. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$775,000 as of the assessment date at issue. Since market value has been established the 2014 three year median level of assessment for class 2 property of 9.93% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
