

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Bradley
DOCKET NO.: 14-25372.001-R-1
PARCEL NO.: 18-24-307-035-0000

The parties of record before the Property Tax Appeal Board are Frank Bradley, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,315
IMPR.: \$3,785
TOTAL: \$7,100

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-and-one-half-story dwelling of masonry construction. The dwelling is 62 years old. Features of the home include central air conditioning and one fireplace. The property has a 10,200 square foot site and is located in Lyons Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on July 18, 2012 for \$35,000. The appellant also submitted 19 comparable sales and an appraisal showing the property as having a market value of \$71,000 as of January 1, 2014, a settlement statement, a copy of the Multiple Service Listing Sheet for the subject, a copy of the special warranty deed, and a copy of the transfer tax declaration for the sale. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the appraised valuation of \$71,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,113. The subject's assessment reflects a market value of \$121,130, when applying the 2014 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance. The board of review submitted four sales comparables in support of the subject's assessment. The board of review also confirmed the subject's sale of \$35,000 in July 2012.

In rebuttal, the appellant argued that the board of review's comparables should be given no weight because they were based on raw, unadjusted data, and because they were dissimilar to the subject as to various key property characteristics. The appellant reaffirmed the request for an assessment reduction.

At hearing, the appraiser, William Neberieza, testified that he personally inspected the subject property and that he has been a licensed appraiser in the State of Illinois since 1974.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. Based on this record the Board finds the subject property had a market value of \$71,000 as of January 1, 2014. Since market value has been determined the 2014 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
