

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Juan & Ana Delgadillo  
DOCKET NO.: 14-25817.001-R-1  
PARCEL NO.: 18-02-206-026-0000

The parties of record before the Property Tax Appeal Board are Juan & Ana Delgadillo, the appellants, by Attorney Nancy Pina-Campos, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,160  
**IMPR.:** \$4,125  
**TOTAL:** \$6,285

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame construction with 838 square feet of living area. The dwelling is 63 years old. The property has a 5,400 square foot site and is located in Lyons Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested comparable sales and adjustment information. The appellant requested a total assessment reduction to \$5,081.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,476. The subject's assessment reflects a market value of \$94,760, or \$113.08 per square foot of living area including land, when applying the level of

assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables.

At hearing, both parties reaffirmed their written submissions.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the appellant failed to lay a foundation for the adjustments in the equalization values grid submitted and, therefore, gives the adjustments no weight.

The Board further finds the best evidence of market value to be the appellant's comparable sales #1 through #5. These comparables sold for prices ranging from \$38.10 to \$81.30 per square foot of living area, including land. The subject's assessment reflects a market value of \$113.08 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
