

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Vdovets
DOCKET NO.: 14-26332.001-R-1
PARCEL NO.: 04-07-406-010-0000

The parties of record before the Property Tax Appeal Board are Michael Vdovets, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 13,230
IMPR.: \$ 42,770
TOTAL: \$ 56,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of stucco construction with 3,762 square feet of living area. The dwelling is 25 years old. Features of the home include a full basement with a formal recreation room, central air conditioning, two fireplaces, and a two-car garage. The property has a 25,200 square foot site, and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property was the subject matter of an appeal before the Board in 2013 under docket number 13-31939.001-R-1. In that appeal, the Board rendered a decision lowering the subject's assessment to \$56,000. The appellant submitted four equity comparables to show that the subject was inequitably assessed.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,982.

In support of its contention of the correct assessment, the board of review submitted four equity comparables and one sale comparable.

Conclusion of Law

Section 16-185 of the Illinois Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes judicial notice that it rendered a decision lowering the subject's assessment in tax year 2013, and that 2013 and 2014 are in the same general assessment period for Northfield Township. The record indicates that the subject is an owner occupied dwelling. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's 2013 decision, or that the Board's 2013 decision was reversed or modified upon review. For these reasons, the Board finds that a reduction is warranted, and that the subject's assessment shall be reduced to reflect the Board's 2013 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
