

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Park
DOCKET NO.: 14-26653.001-R-1
PARCEL NO.: 04-06-308-052-0000

The parties of record before the Property Tax Appeal Board are Paul Park, the appellant, by attorney John S. Xydakis, of the Law Offices of John S. Xydakis in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,006
IMPR.: \$21,415
TOTAL: \$24,421

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1½-story dwelling of frame and masonry construction on a slab foundation. The dwelling is 26 years old and contains 1,483 square feet of living area. Features of the home include central air conditioning, a fireplace and a 2-car garage. The property has a 3,537 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. The comparables had improvement assessments ranging from \$15,520 to \$17,888 or from \$8.49 to \$11.35 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,421. The subject property has an improvement assessment of \$21,415 or \$14.44 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The comparables had improvement assessments ranging from \$23,285 to \$23,422 or from \$15.70 to \$15.79 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Less weight was given to the three appellant's comparables based on location, style, size, age, and/or construction. The Board finds the best evidence of assessment equity to be the four comparables submitted by the board of review. These comparables had improvement assessments that ranged from \$15.70 to \$15.79 per square foot of living area. The subject's improvement assessment of \$14.44 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
