

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arnold Banks  
DOCKET NO.: 14-27491.001-R-1  
PARCEL NO.: 20-03-421-034-1003

The parties of record before the Property Tax Appeal Board are Arnold Banks, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,270  
**IMPR.:** \$3,130  
**TOTAL:** \$4,400

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a condominium unit in a six unit dwelling with 13.760% of ownership. The property is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on August 28, 2013 for \$44,000. This evidence included a copy of the settlement statement and multiple-listing database printout (MLS) that identified the subject's sale as a pre-foreclosure sale. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed: the closing date; sale price; the parties to the transaction were not related; the subject was advertised for sale on the open market for three days with a realtor; and was a foreclosure sale. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$4,400. In support of the correct assessment, the board of review submitted a memorandum and condo analysis by Fred E. Augustin, a board of review analyst, indicating that the full value of the subject is \$98,217 based on the sale of three units in the building from 2006 to 2013 which included the subject property's 2013 sale. The board of review also submitted one additional sale comparable which sold in December 2012 for \$24,000.

In addition, the board of review submitted a supplemental brief stating that based on the Illinois Condominium Property Act and the Cook County Assessor/Board of Review, internal sales within the subject property are the best indicator of market value. The board of review also submitted a prior unrelated Board decision.

At hearing, the board of review analyst, Ms. Gabriella Nicolau, testified that the subject is a distressed sale and therefore, fails to meet the burden of proof for fair market value. The board of review analyst also tendered an unrelated Board decision which was marked as "Exhibit A."

The appellant's attorney, Ms. Nancy Pina, reviewed the evidence submitted and distinguished the board of review's comparables based on sale date. In support, she tendered unrelated Board decisions which were marked as "Exhibits B".

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in August 2013 for \$44,000 is a "compulsory sale." The testimony and evidence disclosed the subject was a foreclosure sale. A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

The evidence submitted disclosed the subject's sale was compulsory. In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The Board finds the board of review's comparables #1 and #2 set the range of market value for the subject. The appellant did not submit any comparables. The board of review's comparables sold from January 2012 to December 2012 for prices ranging from \$24,000 to \$61,000 and percentage of ownership from 13.760% to 22.920%. The subject's assessment reflects a market value of \$44,000 which is within the range established by the best comparable sales in this record. Furthermore, the subject's sale price of \$44,000 equals the subject's current assessed market value. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
