

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hazem Cadros
DOCKET NO.: 14-27497.001-R-1
PARCEL NO.: 21-31-327-001-0000

The parties of record before the Property Tax Appeal Board are Hazem Cadros, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,187
IMPR.: \$6,126
TOTAL: \$8,313

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 114 year-old, one-story dwelling of masonry construction containing 1,012 square feet of living area. Features of the home include a full unfinished basement and a two-car garage. The property has a 3,125 square foot site and is located in Hyde Park Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased from Deutsche Bank on December 27, 2013 for a price of \$17,500 in an all-cash transaction. The appellant also submitted a Multiple Listing Service listing information sheet disclosing the subject was sold as "REO/Lender Owned" property in an "as is" condition with a restriction that "employees and family members residing with employees of JP Morgan Chase Bank N.A., its affiliates or subsidiaries" were prohibited from purchasing any property owned by JP Morgan Chase Bank

N.A. The appellant also asserted in Section IV–Recent Sale Data of the Residential Appeal that the subject was not sold as a transfer between related parties, was advertised and sold through a realtor, and was sold in settlement of a foreclosure. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when using the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,313. The subject's assessment reflects a market value of \$83,130 or \$82.14 per square foot of living area when using the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The subject's sale price of \$17,500 reflects a market value of \$17.29 per square foot of living area including land.

In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in December 2013 for \$17,500 is a compulsory sale. The appellant's evidence disclosed that the subject's sale was compulsory. The appellant's evidence also disclosed that the sale was not exposed to arm's-length purchasers for fair cash value in an open market. The seller specifically excluded an entire class of potential purchasers: "employees and family members residing with employees of JP Morgan Chase Bank N.A., its affiliates or subsidiaries." A compulsory sale is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

However, when there was a recent sale of the subject, and that sale was compulsory, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. *See* 35 ILCS 200/16-183. The appellant's evidence did not dispute that the sale was a compulsory sale. The appellant did not submit sale comparables to show that the sale of the subject in December 2013 for \$17,500 was at its fair cash value. Moreover, by excluding a class of potential bidders in an open market, the appellant failed to establish that the subject was exposed to the open market to result in an arm's-length transaction for fair cash value. Based on this record, the Board finds that an assessment reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
