

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Rubin
DOCKET NO.: 14-27566.001-R-1
PARCEL NO.: 13-13-104-007-0000

The parties of record before the Property Tax Appeal Board are Mike Rubin, the appellant(s), by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,012
IMPR.: \$27,361
TOTAL: \$35,373

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,217 square foot parcel of land improved with a 92-year old, two-story, frame and masonry, single-family dwelling containing 1,976 square feet of building area. The property is located Jefferson Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the equity argument, the appellant submitted four comparables.

In support of the market value argument, the appellant submitted a copy of the settlement statement disclosing that the subject was purchased in November 2011 for \$353,724.53.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the residential parcel of the subject of \$45,036 with an improvement assessment of \$37,024 or \$18.74 per square foot of building area. The total assessment reflects a market value of \$450,360 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four equity and sales comparables. The board of review also listed the sale of the subject in November 2011 for \$354,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in November 2011 for a price of \$353,725. The appellant provided evidence demonstrating the sale of the subject and the board of review did not refute the arm's length nature of the sale. Therefore, the Board finds the subject overvalued and a reduction is justified. After the market value reduction, the Board finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
