

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kunyuan Mao Trust
DOCKET NO.: 14-27593.001-R-1
PARCEL NO.: 20-14-202-076-1282

The parties of record before the Property Tax Appeal Board are Kunyuan Mao Trust, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,770
IMPR.: \$6,330
TOTAL: \$8,100

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a residential condominium unit contained in a 47 year-old, 540-unit residential condominium development. The property has a 244,546 square foot site and is located in Hyde Park Township, Cook County. The subject is classified as a Class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased on February 28, 2014 for a price of \$81,000. The appellant also submitted a Multiple Listing Service listing sheet; and information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not sold as a transfer between related parties, and was advertised and sold through a realtor. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,549. The subject's assessment reflects a market value of \$105,490 when applying the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on suggested comparable sales for 28 units in the development that sold from 2011 through 2014 for a sales total of \$2,311,800. The board of review applied a 1.00% market value reduction to the subject for personal property without further evidence to arrive at an adjusted market value of \$2,288,682 of the 28 units sold. The board of review disclosed the units sold consisted of 5.5831% of all units in the building. The result was a full value of the property at \$40,993,033. Since the subject was 0.2682% of all the units, the board of review suggested the market value of the subject to be \$109,943.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2014 for a price of \$81,000. Based on this record the Board finds the subject property had a market value of \$81,000 as of January 1, 2014 and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
