

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Melanie Witt  
DOCKET NO.: 14-27772.001-R-1  
PARCEL NO.: 02-21-300-015-0000

The parties of record before the Property Tax Appeal Board are Melanie Witt, the appellant(s), by attorney Max E. Callahan, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,403  
**IMPR.:** \$43,978  
**TOTAL:** \$59,381

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two and one-half-story dwelling with 4,337 square feet of living area of frame and masonry construction. The dwelling is 33 years old. Features of the home include a partial basement, central air conditioning, two fireplaces and a two-car garage. The property has an 88,022 square foot site and is located in Palatine Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$598,000, or \$137.88 per square foot of living area including land as of January 1, 2013. The appellant also submitted a letter from the appraiser that indicates the value of the subject is substantially the

same in 2013 and 2014. The appellant requested an assessment of 9.69% of the appraised value or \$57,946.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,302. The subject's assessment reflects a market value of \$738,187 or \$170.21 per square foot of living area, including land, when applying the 2014 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.93% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review also submitted a supplemental brief regarding the sales ratio.

In written rebuttal, the appellant differentiated the board of review's comparables from the subject property.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$598,000 as of the assessment date at issue. Since market value has been established the 2014 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.93% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
