

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stanley Bielanski  
DOCKET NO.: 14-27854.001-R-1  
PARCEL NO.: 12-23-424-006-0000

The parties of record before the Property Tax Appeal Board are Stanley Bielanski, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,600  
**IMPR.:** \$21,060  
**TOTAL:** \$24,660

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a one-story dwelling of masonry construction containing 1,344 square feet of living area. The dwelling is 16 years old. Features of the home include a full basement with a formal recreation room, central air conditioning, a fireplace and a 2.5-car garage. The property has a 3,600 square foot site and is located in Jefferson Township, Cook County.

The appellant's appeal is based on assessment equity. The appellant submitted information on three comparable properties. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$18,487.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties. Based on this evidence, the board of review requested confirmation of the subject's assessment.

At hearing, the appellants reiterated their argument and requested a reduction in the subject property's assessment.

### **Conclusion of Law**

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessments by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989); 86 Ill.Admin.Code 1910.63(e). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the appellant's comparable #1 and the board of review's comparables #1 and #2 are the most similar to the subject in location, size, style, exterior construction, features and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$11.84 to \$16.98 per square foot of living area. The subject's improvement assessment of \$15.67 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement assessment was inequitable and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
