

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yolanda Cameron
DOCKET NO.: 14-28047.001-R-1
PARCEL NO.: 31-26-212-008-0000

The parties of record before the Property Tax Appeal Board are Yolanda Cameron, the appellant(s), by attorney Kenneth D. Flaxman, of Edward T. Joyce & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,251
IMPR.: \$3,349
TOTAL: \$5,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of multi-level, single-family dwelling of frame and masonry construction with 1,106 square feet of living area. Features of the home include a partial finished basement, one and one-half baths, air conditioning, and a two-car garage. The dwelling was constructed in 1957. The property has a 7,506 square foot site and is located in Matteson, Rich Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales which sold from October 2008 to October 2013 for prices ranging from \$26,000 to \$78,000 or from \$22.22 to \$71.69 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,137. The subject's assessment reflects a market value of \$101,370 or \$91.65 per square foot of building area, including land, when applying the 2014 level of assessment for class 2-34 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four sale comparables which sold from February 2013 to September 2013 for prices ranging from \$129,500 to \$186,706 or from \$115.57 to \$204.72 per square foot of living area, including land.

The appellant's attorney distinguished the board of review's evidence based on location and sale date.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, #3, and #4. These similar comparables sold for prices ranging from \$22.22 to \$50.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$91.65 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
