

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Kasules  
DOCKET NO.: 14-28093.001-R-1  
PARCEL NO.: 06-07-307-013-0000

The parties of record before the Property Tax Appeal Board are James Kasules, the appellant, by attorney John S. Xydakis, of the Law Offices of John S. Xydakis in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,064  
**IMPR.:** \$9,878  
**TOTAL:** \$15,942

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame and masonry construction with 1,376 square feet of living area. The dwelling is 44 years old. Features of the home include a full unfinished basement and a 2-car garage. The property has a 15,161 square foot site and is located in Elgin, Hanover Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. The comparables had features with varying degrees of similarity when compared to the subject. The dwellings range in size from 1,344 to 1,634 square feet of living area and have improvement assessments ranging from \$5,258 to \$8,379 or from \$3.91 to \$5.13 per square foot of living area. The appellant requested the total assessment be reduced to \$11,733.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,942. The subject property has an improvement assessment of \$9,878 or \$7.18 per square foot of living area. In support of this argument the board of review submitted information on four equity comparables. The comparables had features with varying degrees of similarity when compared to the subject. The dwellings range in size from 1,040 to 1,515 square feet of living area and have improvement assessments ranging from \$10,550 to \$13,177 or from \$8.70 to \$10.14 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board gave less weight to the appellant's three comparables and the board of review comparables #2 and #3 based on location, style and/or size when compared to the subject. The Board finds the best evidence of assessment equity to be board of review comparables #1 and #4. These comparables were similar to the subject in location, style, age, size and features. These comparables had improvement assessments of \$8.70 and \$9.03 per square foot of living area. The subject's improvement assessment of \$7.18 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
