

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sheila Baker  
DOCKET NO.: 14-28201.001-R-1  
PARCEL NO.: 03-32-306-022-0000

The parties of record before the Property Tax Appeal Board are Sheila Baker, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,125  
**IMPR.:** \$ 29,875  
**TOTAL:** \$ 34,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of frame and masonry construction. The dwelling is 67 years old. Features of the home include a partial basement with a formal recreation room, a fireplace, and a two-car garage. The property has a 6,600 square foot site, and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$340,000 as of January 1, 2014. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the appraisal's estimate of market value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,000. The subject's assessment reflects a market value of \$410,000 when applying the 2014 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and four sale comparables.

In rebuttal, the appellant submitted an escrow settlement statement showing that the subject was sold to Yellow Star Properties, LLC on May 20, 2016 for \$325,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

Initially, the Board finds that the escrow settlement statement submitted by the appellant in written rebuttal cannot be considered. "Rebuttal evidence shall not consist of new evidence such as an appraisal or newly discovered comparable properties. A party to the appeal shall be precluded from submitting its own case in chief in the guise of rebuttal evidence." 86 Ill.Admin.Code §1910.66(c). The escrow settlement statement is new evidence which was not previously submitted, and, therefore, cannot be considered by the Board.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$340,000 as of the assessment date at issue. Since market value has been established the 2014 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
