

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Serge Olivier
DOCKET NO.: 14-28247.001-R-1
PARCEL NO.: 15-14-329-022-0000

The parties of record before the Property Tax Appeal Board are Serge Olivier, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,995
IMPR.: \$2,705
TOTAL: \$4,700

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property contains a 97 year-old, one and one-half-story dwelling of masonry construction with 3,573 square feet of living area. Features of the home include a full basement finished with an apartment. The property is located in Proviso Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$47,000 as of September 12, 2014. The appraisal disclosed the subject dwelling was vacant and that the subject had been listed for sale on September 1, 2014. The appellant also submitted a settlement statement disclosing the subject had been purchased on June 30, 2014 for the price of \$23,620. In Section IV-Recent Sale Data of the Residential Appeal, the appellant disclosed the subject had

been sold at auction on June 30, 2014 as foreclosure property. In his brief, the appellant disclosed the subject had been rehabilitated by construction between the time of the sale and the effective date of the appraisal. The appellant argued that the appraisal should be the correct evidence of the subject's market value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,386. The subject's assessment reflects a market value of \$153,860 when applying the level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on three unadjusted suggested sale comparables.

In rebuttal, the appellant reiterated that the appraisal was completed after the taxpayer rehabilitated the subject. The appellant argued that the comparables submitted as evidence by the board of review should be given diminished weight because they were dissimilar to the subject in various key property characteristics data. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$47,000 as of the assessment date at issue. Since market value has been established, the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
