

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Mender  
DOCKET NO.: 14-29409.001-R-1  
PARCEL NO.: 33-29-102-003-0000

The parties of record before the Property Tax Appeal Board are Richard Mender, the appellant, by John S. Xydakis of the Law Offices of John S. Xydakis, in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,003  
**IMPR.:** \$11,638  
**TOTAL:** \$13,641

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry exterior construction with 1,872 square feet of living area. The dwelling is approximately 53 years old. Features of the home include a full unfinished basement, central air conditioning and a two-car garage. The property has a 20,037 square foot site and is located in Lynwood, Bloom Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument, the appellant submitted information on three equity comparables. The comparables were improved with two, one-story dwellings and one, 1.5-story dwelling of frame or masonry exterior construction. The dwellings are from 59 to 78 years old. One comparable has a full basement, one comparable has central air

conditioning and two comparables have a fireplace. The dwellings range in size from 2,206 to 3,096 square feet of living area and have improvement assessments ranging from \$15,312 to \$18,956 or from \$5.72 to \$7.91 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$11,457 or \$6.12 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,641. The subject property has an improvement assessment of \$11,638 or \$6.22 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables were improved with one-story frame or frame and masonry dwellings that range in size from 1,810 to 2,051 square feet of living area. The dwellings are from 15 to 36 years old. Each comparable has a partial or full unfinished basement, two comparables have central air conditioning, two comparables have a fireplace and three comparables have a two-car garage. The comparables have improvement assessments that ranged from \$16,047 to \$17,980 or from \$8.13 to \$9.86 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #2 based on their dwelling size, lack of a basement and/or 1.5 story design when compared to the subject's one-story design with a full unfinished basement. The Board gave less weight to the board of review's comparables #3 and #4 based on their considerably newer age when compared to the subject's older age.

The Board finds the best evidence of assessment equity to be the remaining three comparables. These comparables have varying degrees of similarity in location, design, exterior construction, age, dwelling size and features when compared to the subject property. These comparables had improvement assessments that ranged from \$17,455 to \$17,980 or from \$7.91 to \$9.86 per square foot of living area. The subject's improvement assessment of \$11,638 or \$6.22 per square foot of living area falls below the range established by the best comparables in this record. After considering adjustments to the comparables when compared to the subject, the Board finds that the subject's assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
