

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marshall Langston  
DOCKET NO.: 14-29450.001-R-1  
PARCEL NO.: 29-26-102-004-0000

The parties of record before the Property Tax Appeal Board are Marshall Langston, the appellant, by attorney John S. Xydakis of the Law Offices of John S. Xydakis, in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,700  
**IMPR.:** \$10,095  
**TOTAL:** \$12,795

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of masonry exterior construction with 1,479 square feet of living area. The dwelling is approximately 48 years old. Features of the home include a partial basement with finished area and a 2.5-car garage. The property has a 7,200 square foot site and is located in South Holland, Thornton Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of the inequity claim, the appellant submitted information on three assessment comparables. The comparables are comprised of multi-level dwellings of masonry or frame and masonry exterior construction. The dwellings are from 46 to 48 years old. Each comparable has a partial basement, central air conditioning and two comparables have fireplaces. Photographs of the comparables indicate comparables #1 and #2

have attached garages. The dwellings range in size from 1,650 to 1,814 square feet of living area and have improvement assessments ranging from \$5,070 to \$8,105 or from \$3.07 to \$4.47 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$6,153 or \$4.16 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,795. The subject property has an improvement assessment of \$10,095 or \$6.83 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within .25 of a mile from the subject property. The comparables are comprised of multi-level dwellings of masonry or frame and masonry exterior construction that range in age from 46 to 48 years old. Each comparable has a partial basement with finished area, three comparables have central air conditioning and each comparable has a two-car garage. The dwellings range in size from 1,344 to 1,405 square feet of living area and have improvement assessments ranging from \$9,589 to \$10,051 or from \$7.09 to \$7.33 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave less weight to the comparables #2 and #3 submitted by the appellant due to their larger dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1 along with the board of review's comparables. These comparables are most similar to the subject in location, design, exterior construction, age, dwelling size and features. These comparables had improvement assessments that ranged from \$5,070 to \$10,051 or from \$3.07 to \$7.33 per square foot of living area. The subject's improvement assessment of \$10,095 or \$6.83 per square foot of living area is within the range established by the best comparables in this record on a per-square-foot basis and slightly above on a total improvement assessment basis, and appears justified given the subject's larger garage. After considering adjustments to the comparables when compared to the subject, the Board finds that the subject's assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
