

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Forest Rountree
DOCKET NO.: 14-29680.001-R-1
PARCEL NO.: 25-15-103-014-0000

The parties of record before the Property Tax Appeal Board are Forest Rountree, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,875
IMPR.: \$7,704
TOTAL: \$9,579

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half story dwelling of frame construction with 1,473 square feet of living area. The dwelling is 94 years old. The property has a 3,125 square foot site and is located in Hyde Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three suggested comparable sales that sold for prices ranging from \$2.60 to \$22.12 per square foot of living area including land. The grid sheet lists the incorrect square footage of living area for the subject and comparables properties. The appellant requested a total assessment reduction to \$2,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,579. The subject's assessment reflects a market value of

\$95,790, or \$65.03 per square foot of living area including land, when applying the level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested sales comparables that sold for prices ranging from \$90.86 to \$153.67 per square foot of living area including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board further finds the best evidence of market value to be the board of review comparable sales #1, #2 and #4. These comparables sold for prices ranging from \$90.86 to \$107.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$65.03 per square foot of living area including land, which is below the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
