

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nazariy Petrakh
DOCKET NO.: 14-29681.001-R-1
PARCEL NO.: 31-03-203-141-0000

The parties of record before the Property Tax Appeal Board are Nazariy Petrakh, the appellant(s), by attorney David C. Dunkin, of Arnstein & Lehr, LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,098
IMPR.: \$2,764
TOTAL: \$3,862

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 35-year-old, two-story dwelling of frame construction with 1,207 square feet of living area. The property has a 1,627 square foot site and is located in Rich Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased from The U.S. Department of Housing and Urban Development pursuant to a foreclosure, on September 5, 2012 for a price of \$18,750, or \$15.53 psf, including land. In support, the appellant submitted a settlement statement as well as an MLS printout for the subject property. The appellant also submitted information on four suggested comparable sales. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$1,875.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,396. The subject's assessment reflects a market value of \$73,960, or \$61.28 psf, including land, when applying the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The board of review also submitted a printout from the Cook County Recorder of Deeds website and a memorandum as evidence that the sale of the subject was a compulsory sale.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the sale of the subject in September 2012 for \$18,750 was a "compulsory sale" through the documentation submitted by the parties. A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

Additionally, real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

However, in 2010 the Illinois General Assembly provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments,

including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment. The Board finds that the mere assertion that the subject's sale was not at market solely because it is a compulsory sale is accorded no weight without evidence supporting that assertion.

Accordingly, when there is a recent sale of the subject, and that sale is a foreclosure, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. Such evidence can include the descriptive and sales information for recently sold properties that are similar to the subject. See Id. The Board finds the best comparables to be the appellant's comparable sales #1, #2 and #4, due to location, size, and sale date. These comparables sold for prices ranging from \$15.70 to \$32.98 per square foot of living area, including land. The subject's sale price reflects a market value of \$15.53 per square foot, including land, which is below the range established by the best comparables contained in the record. However, the subject's current assessment reflects a market value of \$61.28 per square foot, including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified based on the appellant's sale comparables.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
