

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alan & Jill Arguidas
DOCKET NO.: 14-29853.001-R-1
PARCEL NO.: 06-05-301-001-0000

The parties of record before the Property Tax Appeal Board are Alan & Jill Arguidas, the appellants, by attorney Nancy Pina; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$756
IMPR.: \$29,738
TOTAL: \$30,494

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,518 square feet of living area. The dwelling is seven years old. The property has a 10,086 square foot site and is located in Hanover Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants' appeal is based on overvaluation. In support of this argument the appellants submitted evidence disclosing the subject property was purchased on August 28, 2014 for a price of \$298,000, or \$118.35 per square foot, including land. The property was sold as a compulsory sale and purchased from Amanda Strobel. The appellants included a settlement statement and Multiple Listing Service printout as evidence of this transaction. Based on this evidence, the appellants requested a reduction in the subject's assessment to reflect 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,494. The subject's assessment reflects a market value of \$304,940, or \$121.10 per square foot, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three sale comparables, all of which reflected equity data. They sold from January 2013 through May 2013 for prices ranging from \$350,000 to \$375,000, or from \$118.81 to \$135.19 per square foot, including land.

At hearing, the appellants' attorney confirmed that the sale was compulsory. The board of review tendered a packet including: a Cook County Recorder of Deeds "deed trail;" a recorded Lis Pendens and Notice of Foreclosure; and a recorded Warranty Deed. Both parties then rested on their written submissions.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the sale of the subject in August 2014 for \$298,000 was a "compulsory sale" through the documentation submitted by the parties. A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

Additionally, real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

However, in 2010 the Illinois General Assembly provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

Accordingly, when there is a recent sale of the subject, and that sale is compulsory, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. Such evidence can include the descriptive and sales information for recently sold properties that are similar to the subject. See Id. In this case, the appellants did not submit any such evidence to show that the sale of the subject in August 2014 for \$298,000 was at its fair cash value. The board of review, however, submitted three sale comparables ranging in market value from \$118.81 to \$135.19 per square foot, including land. These comparables were similar in design/construction, age, location and size to the subject property. The subject's current market value of \$121.10 per square foot, including land, is within the range of the best comparables contained in the record. Moreover, the subject's sale price of \$118.35 per square foot, including land, is below the range of the best sale comparables contained in the record. Since there is no evidence that the sale price of the subject was at its fair cash value, the Board finds that the subject is not overvalued and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
