

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Janko DIN Fund II, LLC  
DOCKET NO.: 14-29913.001-R-1  
PARCEL NO.: 15-09-321-127-0000

The parties of record before the Property Tax Appeal Board are Matthew Janko DIN Fund II, LLC, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,178  
**IMPR.:** \$20,116  
**TOTAL:** \$22,294

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 52 year-old, two-story dwelling of frame and masonry construction containing 3,939 square feet of living area. Features of the home include a full basement finished with a recreation room. The property has a 4,840 square foot site located in Proviso Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted two Escrow Trust Disbursement Statements disclosing the subject property was purchased on June 27, 2012 for \$145,000. The appellant also submitted a Special Warranty Deed. The appellant provided information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not transferred between related parties. The subject's sale price reflects a market value of \$36.81 per square foot of living area including land. Based on this

evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,294. The subject's assessment reflects a market value of \$222,940, or \$56.60 per square foot of living area, when applying the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales.

In rebuttal, the appellant argued that the comparables submitted as evidence by the board of review should be given diminished weight because they were dissimilar to the subject in various key property characteristics. The appellant reaffirmed the request for an assessment reduction.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant did not provide evidence of the conditions of the sale transaction and to demonstrate the sale had the elements of an arm's-length transaction. The appellant did not provide information of whether the property was sold using a Realtor, that the property had been advertised or otherwise exposed on the open market, or of the nature of the legal interaction between the parties. The appellant submitted only two copies of the Escrow Receipt and Disbursement Statements and a Special Warranty Deed. Consequently, the Board finds that the appellant did not show by a preponderance of the evidence that the subject warrants a reduction of the assessment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
