

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Uhrick
DOCKET NO.: 14-29917.001-R-1
PARCEL NO.: 15-29-300-029-1078

The parties of record before the Property Tax Appeal Board are Anthony Uhrick, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,358
IMPR.: \$13,392
TOTAL: \$15,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a residential condominium unit contained in a 25 year-old, 98-unit residential condominium development. The property has a 437,609 square foot site located in Proviso Township, Cook County. The subject is classified as a Class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased on May 22, 2012 for a price of \$157,500; and a Real Estate Contract. The appellant provided information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not transferred between related parties, and was sold by the owner. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the

2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,441. The subject's assessment reflects a market value of \$174,410 when applying the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on suggested comparable sales for 16 units in the development which sold from 2012 through 2014 for a total consideration of \$3,212,000. One of the suggested sales reported by the board of review was the subject. The board of review disclosed the units sold consisted of 17.03% of all units in the building. The result was a full value of the property at \$18,672,272. Since the subject was 0.98% of all the units, the board of review suggested the market value of the subject to be \$182,988.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in May 2012 for a price of \$157,500. The appellant provided evidence demonstrating the sale had the elements of an arm's-length transaction. The appellant provided information in Section IV-Recent Sale Data of the appeal that the parties to the transaction were not related. In further support of the transaction, the appellant submitted a copy of the settlement statement. The Board finds the board of review did not present any evidence to challenge the arm's-length nature of the transaction. The Board finds the purchase price was below the market value reflected by the assessment. Based on this record, the Board finds the subject property had a market value of \$157,500 as of January 1, 2014 and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
