

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karl Steimel
DOCKET NO.: 14-29927.001-R-1
PARCEL NO.: 12-31-404-014-0000

The parties of record before the Property Tax Appeal Board are Karl Steimel, the appellant(s), by attorney Marie V. Mactal, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,418
IMPR.: \$6,882
TOTAL: \$9,300

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half story dwelling of frame construction that is 61 years old. The dwelling contains 1,239 square feet of living area and is situated on an 8,796 square foot site. The property is located in Leyden Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant submitted information pertaining to the sale of the subject property and five comparable sales. The appellant's evidence indicates the subject property sold in June 2013 for \$93,000, as is evidenced by a settlement statement. The comparables had varying degrees of similarity when compared to the subject. They sold from February 2013 to February 2014 for

prices ranging from \$60,000 to \$122,000, or from \$51.11 to \$74.84 per square foot, including land. Based on this evidence, the appellant requested an assessment reduction to \$9,300.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,047. The subject's assessment reflects a market value of \$130,470, or \$105.30 per square foot, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The grid sheet also reflected the sale of the subject in June 2013 for \$93,000. Based on this evidence, the board requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the sale of the subject for \$93,000, or \$75.06 per square foot, including land. The appellant also submitted sale comparables that sold for prices ranging from \$51.11 to \$74.84 per square foot, including land, to support that this sale was at market value. The board of review failed to address the subject's overvaluation argument with its equity comparables. As the subject's assessment reflects a market value above the best evidence of market value in the record. Accordingly, the Board finds the subject property had a market value of \$93,000 as of the assessment date at issue. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
