

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gary Miller Allwest Investments, LLC
DOCKET NO.: 14-30323.001-R-1
PARCEL NO.: 31-03-304-010-0000

The parties of record before the Property Tax Appeal Board are Gary Miller Allwest Investments, LLC, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,517
IMPR.: \$1,773
TOTAL: \$5,290

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 55 year-old, one-story dwelling of frame construction containing 1,828 square feet of living area. Features of the home include a slab foundation, a fireplace and a two-car garage. The property has a 20,099 square foot site and is located in Rich Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased from U.S. Bank National Association on March 25, 2014 for a price of \$52,900 in an all-cash transaction. The appellant also submitted a Multiple Listing Service listing information sheet disclosing the subject was sold as "REO/Lender Owned" property in an "as is" condition. The appellant also asserted in Section IV—Recent Sale Data of the Residential Appeal that the subject was not sold as a transfer between related parties, was advertised and sold through a realtor, and was sold in

settlement of a foreclosure. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when using the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,646. The subject's assessment reflects a market value of \$106,460 or \$58.24 per square foot of living area when using the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The subject's sale price of \$52,900 reflects a market value of \$28.94 per square foot of living area including land. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in March 2014 for a price of \$52,900. The Board finds the board of review's evidence of equity comparables did not refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$52,900 as of January 1, 2014 and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
