

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anmol Kapur
DOCKET NO.: 14-30329.001-R-1
PARCEL NO.: 06-07-402-022-0000

The parties of record before the Property Tax Appeal Board are Anmol Kapur, the appellant(s), by attorney Nancy Pina; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 327
IMPR.: \$5,423
TOTAL: \$5,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 1,070 square feet of living area. It was constructed in 1979. The property has an 819 square foot site and is located in Hanover Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased pursuant to a compulsory on November 1, 2013 for a price of \$57,500. The parties to the transaction were unrelated and a realtor was involved in the sale. In support, the appellant submitted a settlement statement for the subject property. The appellant also submitted an MLS printout indicating the property was listed on the market for 23 days. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$5,750.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,061. The subject's assessment reflects a market value of \$90,610 when applying the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted a memorandum indicating that this transaction was a compulsory sale.

At hearing, the appellant's attorney rested on the written evidence. The board of review tendered a packet marked as "Board of Review Hearing Exhibit 1" which included: a Cook County Recorder of Deeds "deed trail;" a recorded Notice of Foreclosure; and a recorded Judicial Sale Deed; and a recorded Warranty Deed. The board of review representative also rested on his written submissions.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November 2013 for a price of \$57,500. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant also provided evidence disclosing the parties to the transaction were not related and the property was advertised for sale and sold by a realtor. In further support of the transaction, the appellant submitted an MLS print-out. Although the board of review provided evidence that this property experienced a foreclosure at one time, the current Seller does not appear to be a financial institution as required for a sale to be considered compulsory. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction and, in fact, confirmed the sale of the subject property in their evidence. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
