

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Bosco  
DOCKET NO.: 14-31150.001-R-1  
PARCEL NO.: 17-21-322-005-0000

The parties of record before the Property Tax Appeal Board are John Bosco, the appellant(s), by attorney George J. Relias, of Relias & Tsonis, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,400  
**IMPR.:** \$33,451  
**TOTAL:** \$38,851

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of apartment building with two improvements. Improvement #1 is a three-story, frame and masonry apartment building with 3,999 square feet of living area. Improvement #2 is a two-story, frame apartment building with 1,907 square feet of living area. The dwellings were constructed in 1895 and 1890, respectively. The property has a 3,000 square foot site and is located in Chicago, West Chicago Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables regarding improvement #1.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,851. Improvement #1 has an improvement assessment of \$18,395 or \$4.60 per square foot of living area. Improvement #2 has an improvement assessment

of \$15,056 or \$7.90 per square foot of living area. In support of the assessment, the board of review submitted four equity comparables each improvement.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Regarding the appellant's equity argument regarding improvement #1, the Board finds the best evidence of assessment equity to be the appellant's comparables #2, #3, and #4 and the board of review's comparables #1 and #4. These comparables had improvement assessments that ranged from \$4.97 to \$5.32 per square foot of living area. The subject's improvement assessment of \$4.60 per square foot of living area falls within the range established by the best comparables in this record. No evidence was submitted regarding improvement #2. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
