

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Coleman CPC Construction  
DOCKET NO.: 14-31331.001-R-1  
PARCEL NO.: 13-35-415-042-0000

The parties of record before the Property Tax Appeal Board are Chris Coleman CPC Construction, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,750  
**IMPR.:** \$3,850  
**TOTAL:** \$7,600

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, multi-family dwelling of frame construction with 3,571 square feet of living area. The dwelling is 124 years old. Features of the home include a full basement and a two-car garage. The property has a 3,125 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on August 14, 2013 for a price of \$76,000, or \$21.28 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,961. The subject's assessment reflects a market value of \$269,610 or \$75.50 per square foot of living area, land included, when using the 2014 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review confirmed the sale of the subject and submitted information on four comparable sales.

In written rebuttal, the appellant stated the board of review's comparables are located in a different neighborhood than the subject property.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in August 2013 for a price of \$76,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related and the property was advertised on the open market. In further support of the transaction the appellant submitted a copy of the settlement statement and Warranty Deed. The Board finds the purchase price is below the market value reflected by the assessment. The Board gave less weight to the board of review's comparables as they are located in different neighborhoods than the subject property. Based on this record the Board finds the subject property had a market value of \$76,000 as of January 1, 2014. Since market value has been determined the 2014 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
