

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Snyder SRP Sub, LLC  
DOCKET NO.: 14-31605.001-R-1  
PARCEL NO.: 33-05-309-002-0000

The parties of record before the Property Tax Appeal Board are Mike Snyder SRP Sub, LLC, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,847  
**IMPR.:** \$5,553  
**TOTAL:** \$8,400

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level, single-family home of frame and masonry construction with 1,104 square feet of living area. The dwelling was constructed in 1972. The property has a 7,592 square foot site and is located in Lansing, Bloom Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on February 20, 2014 for \$84,000. This evidence included the settlement statement, real estate contract, transfer tax declaration, and listing sheet. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed the closing date, sale price, that the parties to the transaction were not related, and that the subject was advertised for sale using a realtor. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,288. The subject's assessment reflects a market value of \$122,880 when applying a 10% level of assessment as determined by the Cook County Classification Code.

In support of the assessment, the board of review submitted four equity and sale data for two of the comparables.

In rebuttal, the appellant's attorney stated that the board of review's equity comparables did not address the market value argument and that only credible evidence of market value is the sale of the subject in 2014.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2014 for \$84,000. The appellant provided evidence demonstrating the sale had the elements of arm's length transaction and in support of the transaction, copies of the settlement statement, real estate contract, transfer tax declaration, and listing sheet were submitted. Lastly, the board of review failed to provide any substantial evidence to challenge the arm's length nature of the transaction.

Based on this record, the Board finds the subject property had a market value of \$105,000 as of January 1, 2014. Since market value has been determined, the level of assessments for class 2-34, residential property of 10% as determined by the Cook County Classification Code shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
