

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Betty McAfee
DOCKET NO.: 14-31688.001-R-1
PARCEL NO.: 29-09-102-071-0000

The parties of record before the Property Tax Appeal Board are Betty McAfee, the appellant(s), by attorney Nancy Pina; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,625
IMPR.: \$3,648
TOTAL: \$5,273

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 61 year-old, one-story dwelling of frame and masonry construction containing 912 square feet of living area. Features of the home include a full basement finished with a recreation room and a one and one-half-car garage. The property has a 5,000 square foot site in Thornton Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six suggested comparable sales and adjustment information disclosed in a grid entitled, "Property Equalization Values." The appellant requested a total assessment reduction to \$1,463.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,273. The subject's assessment reflects a market value of

\$52,730, or \$57.82 per square foot of living area including land, when applying the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparables, each of which included assessment equity information.

At hearing, the board of review objected to the appellant's adjustments in the equalization values grid as hearsay since no foundation was made for their admission and because no witness was present to testify regarding them. The Board sustained the objection, but noted that the raw, unadjusted information on the appellant's sale comparables were properly in evidence. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The Board finds the appellant failed to lay a foundation for the adjustments in the equalization values grid submitted and, therefore, gives them no weight. However, the Board may consider the raw, unadjusted sale data.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales #1, #4, #5 and #6, and the board of review comparable sales #2 and #4. These comparables sold for prices ranging from \$4.88 to \$120.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$57.82 per square foot of living area including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
