

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: E&S Blessed Investment, LLC
DOCKET NO.: 14-32353.001-R-1
PARCEL NO.: 16-22-417-034-0000

The parties of record before the Property Tax Appeal Board are E&S Blessed Investment, LLC, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,437
IMPR.: \$4,483
TOTAL: \$6,920

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 96 year-old, one-story dwelling of frame construction containing 756 square feet of living area. Features of the home include a slab foundation. The property has a 2,437 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased on June 11, 2010 for a price of \$27,500. The appellant also submitted an affidavit of an agent of the buyer/appellant, and information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not a transfer between related parties. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the

2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,920. The subject's assessment reflects a market value of \$69,200, or \$91.53 per square foot of living area, when applying the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on three suggested comparable sales that sold from 2011 through 2013.

In rebuttal, the appellant argued that the board of review did not adequately address the appellant's overvaluation argument based on a sale of the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be sales comparables submitted by the board of review. These comparables were similar to the subject in location, style, construction, features, age, living area and land area. These properties also sold proximately in time to the assessment date at issue. The comparables sold for prices ranging from \$95.33 to \$156.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$91.53 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. The Board gave little weight to the subject's 2010 sale because it did not occur proximately in time to the 2014 tax lien year in the instant appeal.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
