

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vista Investment Partners, LLC
DOCKET NO.: 14-33034.001-R-1
PARCEL NO.: 29-11-325-012-0000

The parties of record before the Property Tax Appeal Board are Vista Investment Partners, LLC, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,240
IMPR.: \$3,100
TOTAL: \$5,340

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level, single-family frame and masonry home with 1,276 square feet of living area. The dwelling is approximately 49 years old. The property has a 6,893 square foot site and is located in Thornton Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant submitted a settlement statement. The appellant's evidence indicates the subject property sold pursuant to a foreclosure on July 18, 2014 for \$52,200, or \$40.91 per square foot, including land. The petition indicates the Seller as Secretary of Housing & Urban Development in an all-cash transaction. This property was sold using a realtor and the parties were unrelated. The property was advertised on the MLS for three months. Additionally, \$1,200 was spent on renovations prior to occupancy.

The appellant also provided four sale comparables, ranging in sale price per square foot, including land, from \$30.63 to \$57.32. Based on this evidence, the appellant requested an assessment reduction to \$3,910.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,476. The subject's assessment reflects a market value of \$94,760, or \$74.26 per square foot, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four sale comparables. They ranged in sale price per square foot from \$82.56 to \$114.23. Based on this evidence, the board requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the sale of the subject in July 2014 for \$52,200 was a "compulsory sale" through the documentation submitted by the parties. A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

Additionally, real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

However, when there is a recent sale of the subject, and that sale is compulsory, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. See 35 ILCS 200/16-183 ("The Property Tax Appeal Board shall consider

compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer."). Such evidence can include the descriptive and sales information for recently sold properties that are similar to the subject. See Id. In this case, both parties submitted a total of eight suggested sale comparables. The Board finds that the best comparables in the record are the appellant's comparables #1, #3 and #4. These comparables range in sale price per square foot, including land, from \$30.63 to \$57.32. The subject's current market value of \$74.26 per square foot, including land, while the subject's sale price of \$40.91 per square foot, including land, is within the range of the best sale comparables contained in the record. Accordingly, the Board finds that the subject is overvalued and a reduction is warranted to reflect the subject's purchase price, plus renovation costs.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
