

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Reina Barclay  
DOCKET NO.: 14-33593.001-R-1  
PARCEL NO.: 13-34-424-024-0000

The parties of record before the Property Tax Appeal Board are Reina Barclay, the appellant(s), by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,125  
**IMPR.:** \$5,875  
**TOTAL:** \$9,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, apartment building of frame construction with 2,188 square feet of building area. The dwelling was constructed in 1890 and is located in Chicago, Jefferson Township, Cook County. The property is a class 2-11 per the Cook County Real Property Classification Ordinance.

The appellant argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal. In support of the market value argument, the appellant submitted a copy of the settlement statement and deed confirming that the subject sold on November 30, 2012 for \$90,000. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed the closing date, sale price, that the parties to the transaction were not related, mortgage was not assumed, the subject was advertised for sale, and that it was not a foreclosure sale.

The appellant also contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,938. The subject's assessment reflects a market value of \$179,380 or \$81.98 per square foot of living area, land included, when using the 2014 level of assessment for class 2-11 properties of 10% as determined by the Cook County Real Property Classification Ordinance. The subject property has an improvement assessment of \$14,813 or \$6.77 per square foot of living area

In support of its contention of the correct assessment the board of review submitted four equity comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November 2012 for \$90,000. The appellant provided evidence demonstrating the sale had the elements of arm's length transaction and in support of the transaction, copies of the settlement statement and deed were submitted. Lastly, the board of review failed to provide any substantial evidence to challenge the arm's length nature of the transaction.

Based on this record, the Board finds the subject property had a market value of \$90,000 as of January 1, 2014. Since market value has been determined, the level of assessments for class 2-12, residential property of 10% shall apply as determined by the Cook County Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
