

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Isaac Carpenter III
DOCKET NO.: 14-34027.001-R-1
PARCEL NO.: 31-13-400-154-0000

The parties of record before the Property Tax Appeal Board are Isaac Carpenter III, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,937
IMPR.: \$663
TOTAL: \$6,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of frame construction with 1,406 square feet of living area. The subject is owner-occupied. Features of the building include a crawl basement, one and one-half baths, air conditioning, and a one car garage. The dwelling was constructed in 1958. The property has a 16,963 square foot site and is located in Olympia Field, Rich Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$66,000 as of March 19, 2013. In addition, appellant submitted a prior 2013 PTAB decision and a settlement statement confirming the sale of the subject on March 30, 2010 for \$67,000. Appellant requested that the Board apply the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,669. The subject's assessment reflects a market value of \$86,690 or \$61.66 per square foot of living area, land included, when using the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four equity comparables and sales data for each comparable.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the subject's market value per the appellant's evidence including the settlement statement is not reflective of the market value of the subject in 2014. The subject's sale price in 2010 is not reflective of the market value in 2014. Furthermore, the year the subject was sold was in a different assessment triennial than the 2014 tax year.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$86,690 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$66,000 as of the assessment date at issue. Since market value has been established, the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
