

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Simmons
DOCKET NO.: 14-34518.001-R-1
PARCEL NO.: 29-07-137-059-0000

The parties of record before the Property Tax Appeal Board are James Simmons, the appellant, by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 992
IMPR.: \$1,508
TOTAL: \$2,500

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 42-year-old, one-story dwelling of frame construction with 720 square feet of living area. Features of the home include a full basement and a one-car garage. The property is located in Thornton Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant completed Section IV of the appeal form stating that the subject sold on October 4, 2012. In addition, the appellant submitted sales and adjustment information on three suggested comparables. Finally, the appellant submitted evidence disclosing the prior year Board's decision under docket number 13-30671.001-R-1.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,564. The subject property reflects a market value of \$55,640 or \$77.28 when using the 2014 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables.

Conclusion of Law

Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should not be carried forward to the subsequent year.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds the appellant failed to show that the subject property was a residence occupied by the owner. Therefore, the Board finds the appellant failed to show that the 2013 decision should be carried forward to the 2014 assessment year and the Board will review the assessment based on the evidence submitted.

The appellant also contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the appellant failed to lay any foundation for the adjustments within the equalization values grid and therefore the Board will give these adjustments no weight and look to the raw sales data.

The Board finds the best evidence of market value to be the purchase of the subject property in October, 2012 for a price of \$25,000. The appellant provided evidence demonstrating the sale of the subject. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$25,000 as of January 1, 2014. Since market value has been determined the 2014 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
