

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Leagter Clanton  
DOCKET NO.: 14-34606.001-R-1  
PARCEL NO.: 29-08-319-053-0000

The parties of record before the Property Tax Appeal Board are Leagter Clanton, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,940  
**IMPR.:** \$672  
**TOTAL:** \$2,612

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed a direct appeal from a 2013 decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling with 1,504 square feet of living area of masonry construction. The dwelling is 66 years old. The property has an 8,625 square foot site and is located in Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

In support of this argument the appellant submitted information on four comparable sales and a copy of the subject's 2013 Property Tax Appeal Board's decision. The Board notes that tax years 2013 and 2014 are in different triennial reassessment periods for properties located in Thornton Township.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,391. The subject's assessment reflects a market value of \$93,910 or \$62.44 per square foot of living area, including land, when applying the 2014 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on four comparable sales. In addition, the board submitted a supplemental brief arguing the appellant's adjustments to the comparable sales should not be considered as they were not prepared by a licensed appraiser.

In written rebuttal, the appellant differentiated the board of review's comparable sales and submitted a grid sheet listing both parties' comparable sales.

At hearing, the appellant reviewed the previously submitted comparable sales and stated three of the board of review's comparable sales are located in Calumet City while the subject is located in Harvey. In addition, the appellant noted the board of review's comparable #1 sold for a price of \$15,500, not \$155,000 as indicated on the board of review's grid sheet. The board of review's representative rested on her previously submitted comparable sales.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales. These comparables sold for unadjusted prices ranging from \$3.50 to \$17.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$62.44 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
