

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gerry Tadros
DOCKET NO.: 14-34633.001-R-1
PARCEL NO.: 20-10-212-020-0000

The parties of record before the Property Tax Appeal Board are Gerry Tadros, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,750
IMPR.: \$2,770
TOTAL: \$6,520

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, apartment building of masonry construction with 3,999 square feet of living area. The dwelling was constructed in 1913. The property has a 3,125 square foot site and is located in Chicago, Hyde Park Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject was sold to the appellant by HSBC Bank USA on February 3, 2011 for \$65,200. This evidence included the settlement statement and transfer declaration. The transfer declaration and the appellant's pleadings state that the subject was bank owned and a foreclosure. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed: the closing date; sale price; that the parties to the transaction were not related; sold by realtor; listed on the MLS for 24 days; and that the seller's mortgage was not assumed. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,601. The subject's assessment reflects a market value of \$196,010 or \$49.01 per square foot of living area, including land when applying a 10% level of assessment as determined by the Cook County Classification Code.

In support of the assessment, the board of review submitted three equity comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment.

In rebuttal, the appellant states that the board of review's comparables are "raw and unconfirmed uniformity comps" and distinguished the board of review's evidence based on size, bathrooms, and garage. In addition, the appellant submitted prior PTAB decisions. Lastly, the appellant's attorney states that the subject was listed for sale for \$45,000 but due to a bidding war, sold for \$65,200.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in February 2011 for \$65,200 or \$16.30 per square feet of living area is a "compulsory sale." A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

The evidence submitted disclosed the subject's sale was a compulsory sale. However, the board of review did not submit sufficient market data to challenge the subject's sale. The appellant and the board of review did not submit "documentation of not fewer than three recent sales of suggested comparable properties..." 86 Ill.Admin.Code §1910.65(c)(4). The board of review's three equity comparables do not address the subject's market value. Therefore, the Board finds a reduction is warranted based on the market value evidence submitted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
