

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elizabeth Kulicz
DOCKET NO.: 14-34813.001-R-1
PARCEL NO.: 20-20-110-040-0000

The parties of record before the Property Tax Appeal Board are Elizabeth Kulicz, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,860
IMPR.: \$11,548
TOTAL: \$13,408

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, multi-family dwelling of masonry construction with 2,168 square feet of living area. The dwelling is 119 years old. The property has a 3,100 square foot site and is located in Lake Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in September 2010 for a price of \$35,000. The evidence includes a copy of the subject's Property Tax Appeal Board's ("PTAB") 2013 decision, a PTAX-203 form that indicates the subject property will not be the buyer's principal residence, a copy of a PTAB decision for a different property, and a "brief" that states PTAB has granted assessment reductions for other properties based on recent sale prices.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,318. The subject's assessment reflects a market value of \$133,180 or \$52.20 per square foot of living area, land included, when using the 2014 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four equity comparables, two of which contained recent sale information.

Conclusion of Law

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2013 assessment. The record further indicates that the subject property is not an owner-occupied dwelling. As the subject is not owner-occupied, the Property Tax Appeal Board finds that a reduction in the subject's assessment on this basis is not warranted.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the subject's 2010 sale date is too distant in time from the lien date in question to be a reliable indicator of its fair market value on January 1, 2014. The Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue. As such, the Board finds the appellant did not meet the burden of proving by a preponderance of the evidence that the subject is overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
