

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Francis Roche
DOCKET NO.: 14-35207.001-R-1
PARCEL NO.: 15-01-413-007-0000

The parties of record before the Property Tax Appeal Board are Francis Roche, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,100
IMPR.: \$54,900
TOTAL: \$66,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a 2013 final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.5-story dwelling with 3,616 square feet of living area of frame and masonry construction. The dwelling was 99 years old. Features of the home include a partial finished walkout-style basement, partial central air conditioning, a fireplace and a detached two-car garage. The property has a 13,838 square foot site and is located in River Forest, River Forest Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal of the subject property with an estimated market value as of January 1, 2014 of \$660,000.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be appellant's appraisal depicting an estimated market value for the subject property of \$660,000 as of January 1, 2014. The subject's 2014 assessment reflects a market value of \$722,470, including land, which is above the appraised value. The board of review did not submit any evidence in support of its assessment of the subject property as required by Section 1910.40(a) of the procedural rules of the Property Tax Appeal Board. The Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
