PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Walter & Felice Pomierski, the appellants, by attorney Thomas J. Thorson of Raila & Associates, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
14-35288.001-R-1	17-32-211-001-0000	5,952	9,048	\$15,000
14-35288.002-R-1	17-32-211-002-0000	5,952	9,048	\$15,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story mixed use commercial and residential building of masonry construction with 11,148 square feet of building area. The building is approximately 99 years old. Features of the building include a partial unfinished basement and central air conditioning. The property is located in Chicago, South Chicago Township, Cook County. The property is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant raised a contention of law as the basis of the appeal. Based on the address reflected on the petition, the subject property is partially an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior tax year under Docket Number 13-34423.001 & .002-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$30,000 based on an agreement of

the parties. The appellant requested that the assessment as established in the 2013 tax year be carried forward to 2014.

The board of review did not timely submit its "Board of Review Notes on Appeal" and evidence in support of its assessment of the subject property. Nevertheless, the board of review submission indicated each parcel had an assessment of \$22,300 for a total assessment of \$44,600. The "Notes on Appeal" also disclosed that 2012 was the beginning of the general assessment period for South Chicago Township.

Conclusion of Law

The taxpayer's argument is based on a contention of law. When a contention of law is raised the burden of proof is a preponderance of the evidence. (5 ILCS 100/10-15). The Board finds the evidence supports a reduction to the subject's assessment.

The Board finds that pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the assessment as established in the 2013 tax year's decision should be carried forward to the 2014 tax year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2013 tax year. The record further indicates that the subject property is partially an owner-occupied dwelling and that 2013 and 2014 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that decision of the Property Tax Appeal Board was reversed or modified upon review. Additionally, the board of review did not timely submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40 (a) & §1910.69(a). For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
