

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Rosenfeld
DOCKET NO.: 14-35988.001-R-1
PARCEL NO.: 05-07-103-002-0000

The parties of record before the Property Tax Appeal Board are Steven Rosenfeld, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,687
IMPR.: \$52,313
TOTAL: \$69,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 13,350 square foot parcel of land improved with an 89-year old, two-story, masonry, single-family dwelling containing 2,938 square feet of building area. The property is located in Glencoe, New Trier Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant makes a contention of law argument that the 2013 appeal decision should be applied to the 2014 assessment year as the property is owner occupied and these years are in the same triennial. The appellant included the 2013 appeal decision and an appraisal with a valuation date of January 1, 2013.

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 13-36057.001-R-1. In that appeal the Property Tax Appeal

Board issued a decision lowering the assessment of the subject property to \$69,000 based on a stipulation by the parties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$76,857 with an improvement assessment of \$60,170 or \$20.48 per square foot of building area.

The board of review submitted four sales comparables to support the subject's assessment.

Conclusion of Law

The appellant raised a contention of law argument and the Board must consider the assessment of the subject property as established by the Property Tax Appeal Board for the 2015 tax year and if it should be carried forward to the 2016 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2013 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2013 tax year. The 2013 and 2014 are within the same general assessment period. The record contains no evidence indicating the subject property is not owner-occupied, sold in an arm's length transaction after the Board's decision, or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
