

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rudy Gandy
DOCKET NO.: 14-35994.001-R-1
PARCEL NO.: 11-31-315-005-0000

The parties of record before the Property Tax Appeal Board are Rudy Gandy, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,775
IMPR.: \$40,583
TOTAL: \$46,358

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,125 square foot parcel of land improved with an 86-year old, three-story, masonry, multi-family dwelling containing 5,466 square feet of building area. The property is located in Chicago, Rogers Park Township, Cook County and is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted three sales comparables. The properties are described as three-story, masonry, multi-family dwellings with two properties located within the subject's neighborhood code. They are 86-years old and contain from 5,313 to 6,204 square feet of building area. They sold between June and September 2011 for prices ranging from \$46.74 to \$57.28 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$46,358 which reflects a market value of \$463,580 or \$84.81 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted three market value comparables. These properties are described as two or three-story, masonry, multi-family dwellings. They range in age from 54 to 99 years and in size from 4,470 to 5,722 square feet of building area. These properties sold from July 2013 to July 2014 for prices ranging from \$138.40 to \$152.13 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The parties submitted a total of six sales comparables in support of the subject's market value. The Board finds the best evidence of market value to be the appellant's comparables and the board of review's comparable #2. The remaining comparables were given diminished weight for differences in design. These properties sold from June 2011 to July 2013 for prices ranging from \$46.74 to \$106.61 per square foot of building area. In comparison, the subject's assessment reflects a market value of \$84.81 per square foot of building area which is within the purchase prices of the comparables in the record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
