

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Parker
DOCKET NO.: 14-36046.001-R-1
PARCEL NO.: 13-09-114-012-0000

The parties of record before the Property Tax Appeal Board are Karen Parker, the appellant, by attorney John P. Brady, of Tully & Associates, Ltd. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,125
IMPR.: \$16,775
TOTAL: \$20,900

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a 2013 final decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a Class 2-11 dwelling of frame exterior construction with 1,672 square feet of living area. The dwelling is approximately 95 years old. Features of the home include an unfinished basement and a two-car garage. The property has a 3,750 square foot site and is located in Jefferson Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables consist of Class 2-11 dwellings of frame exterior construction that were either 96 or 97 years old. The homes range in size from 1,676 to 2,592 square feet of living area and feature full basements, one of which has a formal recreation room and one of which has an apartment. One comparable has central air conditioning and each comparable has either a one-car or a two-car

garage. The comparables have improvement assessments ranging from \$11,908 to \$25,966 or from \$7.11 to \$11.08 per square foot of living area.

The appellant reported for 2014 that the property has a total assessment of \$24,607 and an improvement assessment of \$20,482 or \$12.25 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$16,775 or \$10.03 per square foot of living area.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default by a letter issued on March 24, 2021 pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellant's four equity comparables. The Board has given reduced weight to appellant's comparables #2 and #4 as each dwelling is substantially larger than the subject dwelling.

The Board find the best evidence of assessment equity on this record to be appellant's comparables #1 and #3. These comparables had improvement assessments of \$11,908 and \$20,719 or \$7.11 and \$10.71 per square foot of living area. The subject's improvement assessment of \$20,482 or \$12.25 per square foot of living area falls above the best equity comparables in this record.

The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

The Board has examined the evidence submitted by the appellant and based on this limited evidence, the Board finds that a reduction in the assessed valuation of the subject property commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
